FOREWORD

In the early part of the year 1910, the Rev. Wm. N. Parker, Rector of The Church of the Epiphany, Sherwood, being interested in the boys of Parish, and all the surrounding neighborhood, wrote to Lord Baden-Powell, who was the originator and head of the Boy Scout movement in Englandfor some information regarding this activity in his country.

After considerable correspondence back and forth that same year, and with the information obtained, The Rev. Mr. Parker decided that he would make an initial attempt to organize a similar organization in this country, and with the help of several of his parish officers and other interested men of our city, this Boy Scout movement was started.

In the latter part of this year 1910, his efforts were rewarded with the organization of five Scout Troops in Philadelphia. Troop #57 was officially organized on November 25th 1910, under the sponsorship of The Church of The Epiphany, Sherwood.

This church sponsorship has never changed in its location or leadership, until the recent death of the Rev. Mr. Parker. All credit to him for his original efforts in being the first Charter Member of this Boy Scout Movement in this country.

Of the five original Scout Troops organized in 1910, Troop #57 is the only survivor, and is now still very active.
